

CHCA Bingo Returns at the Fall Convention!!!

(Hop Frog Bingo a HUGE success at the 2010 Spring Conference!)

BID on a square today before they are gone!

Strategically designed to move traffic throughout the show, these **limited 24 premium booths** will certainly drive attendees your way. All attendees will receive a Bingo card and are encouraged to visit each participant for a special validation sticker. CHCA will provide cards to all attendees and validation stickers to exhibitors who are the 24 highest bidders for the squares. After the card has been validated, attendees who are present on Wednesday will drop their card in the raffle drum and are **eligible to win an I-Pad**. Those attending the conference on Thursday that have a validated card will be **eligible to win a Flat screen TV**. We are doing two cards because not everyone will be attending the conference both days. So we want to give everyone a chance to win. Attendees must visit all participants to be eligible for drawing and must be present to win. A great incentive that will guarantee traffic!

If you are interested in one of these premium booths please contact Bonita Jones at bjones@cohca.org. Companies interested in participating will bid on the squares and the highest 24 bidders will be a bingo exhibitor. All vendors participating in the Bingo game will have their company logo printed on a square on the bingo card. Vendors can chose to bid on a square on Wednesday or Thursday or both days. It's up to you!!

Bidding starts at **\$50.00** per square, per day! Get your bid in early before the squares are all gone!!
